MEMORANDUM FOR THE RECORD

SUBJECT: Retirees Using EAA Store

1. I discussed the possibility of retirees having access to the EAA Store, with our security advisor, [REDACTED]. He pointed out that because of the physical location of the Store, it would be impossible to badge the retirees, since he felt this would disrupt the arrangements for physical security. He further stated that they would have to be treated as visitors and as such would require escorts.

STATIN

2. In view of the above, I see no alternative other than to deny use of the Store to "retirees". This of course does not change his previous position, approving their being permitted to visit the ticket counter, and to participate in such club activities as are conducted outside Agency buildings.

[REDACTED]
